

Welcome to www.scottishdogwalkers.co.uk

Dog walking and pet caring is a professional career, which involves a great deal of commitment, motivation and determination. Most clients require a full time walker / carer and this involves hard work throughout the year regardless of the weather.

Scottish Dog Walkers was established in 2003 and has created a database of professional & committed pet carers, dog walkers and "dog listeners." Our members all run their own businesses and Scottish Dog Walkers is the perfect place for them to find new clients. We receive many enquiries from pet owners seeking all kinds of pet services, and we are perfectly placed to act as the link to our members.

We also provide a service connecting dog walkers and carers, preventing isolation and providing a network to share information, discuss problems or queries and arrange cover for holiday periods.

To enable us to recommend a walker, carer or boarder we ask that certain criteria be met.

All registered carers **must** be:

- ✓ Fully Insured
- ✓ Police Checked
- ✓ Able to provide two referees
- ✓ Willing to return evaluation forms
- ✓ Committed to providing an excellent service
- ✓ Respectful of confidentiality and property
